

TO WHOMSOEVER IT MAY CONCERN

This is to certify that M/s Airtech Systems India Pvt. Ltd , Mumbai has provided complete Turnkey Clean Room solutions for our Animal House Research & Development Centre located at Gurgaon , India in March 2015.

The scope of M/s. Airtech included:

1. High & low side HVAC system with 500 TR Chiller capacity , Secondary Pumping Systems , AHUs equipped with Energy Recovery Systems & Humidification.
2. Modular Wall Partitions & Ceilings, Modular Clean Room Doors with concealed door closer, Anti Static Epoxy Floorings.
3. Clean Room Equipments – Passboxes, Garment Cubicles and Air Showers.
4. Electrical Panels & distribution boards, Clean Room Light Fixtures, door interlocking systems.
5. HVAC Automation System & Environment Monitoring Systems.

The complete Turnkey works was well coordinated by M/s. Airtech to deliver the facility on a war footing basis within the stipulated time. Having in-house manufacturing of complete range of products made them flexible in their project execution approach with best efforts to overcome the challenges faced.

Joint team efforts by Daiichi Sankyo India Pharma Pvt. Ltd. & M/s. Airtech & M/s. IPS International Pvt. Ltd. (Project Consultant) resulted in satisfactory completion of the project.

We are happy with the quality and performance and wish the entire team best wishes for the future with many more successful & innovative clean room projects to be installed worldwide.
